The Bar Association of the District of Columbia is pleased to announce that the **16th Annual Constance L. Belfiore Quality of Life Award** will be given to **Passman & Kaplan, P.C.**, at the BADC 142nd Annual Meeting and Luncheon on Wednesday, June 19, at the Mayflower Hotel.

Lawyers at the firm, a small boutique that practices in the highly specialized area of employee-side federal sector employment law, praise its comprehensive and intensive associate training and mentorship program, extremely egalitarian working relationship among partners and associates, high degree of schedule flexibility, alternative and remote work schedules that do not impede promotions, technological and human support, collegial atmosphere and social activities, diversity, and dedication to pro bono, community, and bar association work.

According to Senior Associate Amy L. Beckett, Passman & Kaplan is "the most family-friendly place in Washington" because of the way it demonstrates "respect, flexibility, compassion, humor, and an enduring love for food and fun!"

To find out more about Passman & Kaplan, and to add food and fun to your schedule, please join us at the Luncheon.

Members of the BADC Blue-Ribbon Quality of Life Committee are: Cory Amron, Joel Bennett, Christopher Hoge, M. Elizabeth Medaglia, Judge Fred Ugast, Ret., and Constance L. Belfiore, Chair.
